

SPECIAL ISSUE CALL FOR PAPERS

Economic inequality and management

Guest Editors:

Hari Bapuji (University of Manitoba, Canada) and
Suhaib Riaz (University of Massachusetts at Boston, USA)

Please submit paper proposals to the guest editors by 30 November, 2012
Full papers to be submitted between 1 and 30 June, 2013

This special issue focuses on the relation between economic inequality and management in organizations. Particularly, we are interested in (i) how economic inequality at the societal level affects management in organizations and (ii) how organizational practices influence economic inequality at the societal level.

To read the full call for papers, please go to:

Contributors should note:

- This call is open and competitive, and the submitted papers will be double-blind reviewed as per the editorial policies of *Human Relations*.
- Submitted papers must be based on original material not accepted by, or under consideration with, any other journal or outlet.
- For empirical papers based on data sets from which multiple papers have been generated, authors must provide the guest editors with copies of all other papers based on the same data.
- The guest editors will select a limited number of papers to be included in the special issue. Other papers submitted to the special issue may be considered for publication in other issues of the journal at the discretion of the Editor-in-Chief.

To be considered for this special issue, submissions must fit with the Aim and Scope of *Human Relations*: http://www.tav institute.org/humanrelations/about_journal/aims.html

as well as this call for papers. Papers should be submitted online in accordance with our submission guidelines: http://www.tav institute.org/humanrelations/submit_paper.html

Please indicate in your covering letter that the paper is intended for this special issue.

Authors are encouraged to submit an 8-page proposal (including references and exhibits) for papers to the guest editors through email by November 30, 2012. The guest editors will provide developmental feedback and invite authors of suitable proposals to submit a full paper to the special issue. In addition, the guest editors of the special issue are very happy to discuss initial ideas for papers and may be contacted directly:

Hari Bapuji - email: hari.bapuji@ad.umanitoba.ca

Suhaib Riaz - email: suhaib.riaz@umb.edu

The deadline for submission of all full papers (including papers that received feedback on their proposals) is 30 June 2013. Full papers should not be submitted before 01 June 2013.

The special issue is intended for publication in 2015.
